ATT VARA SUPERHJÄLTE

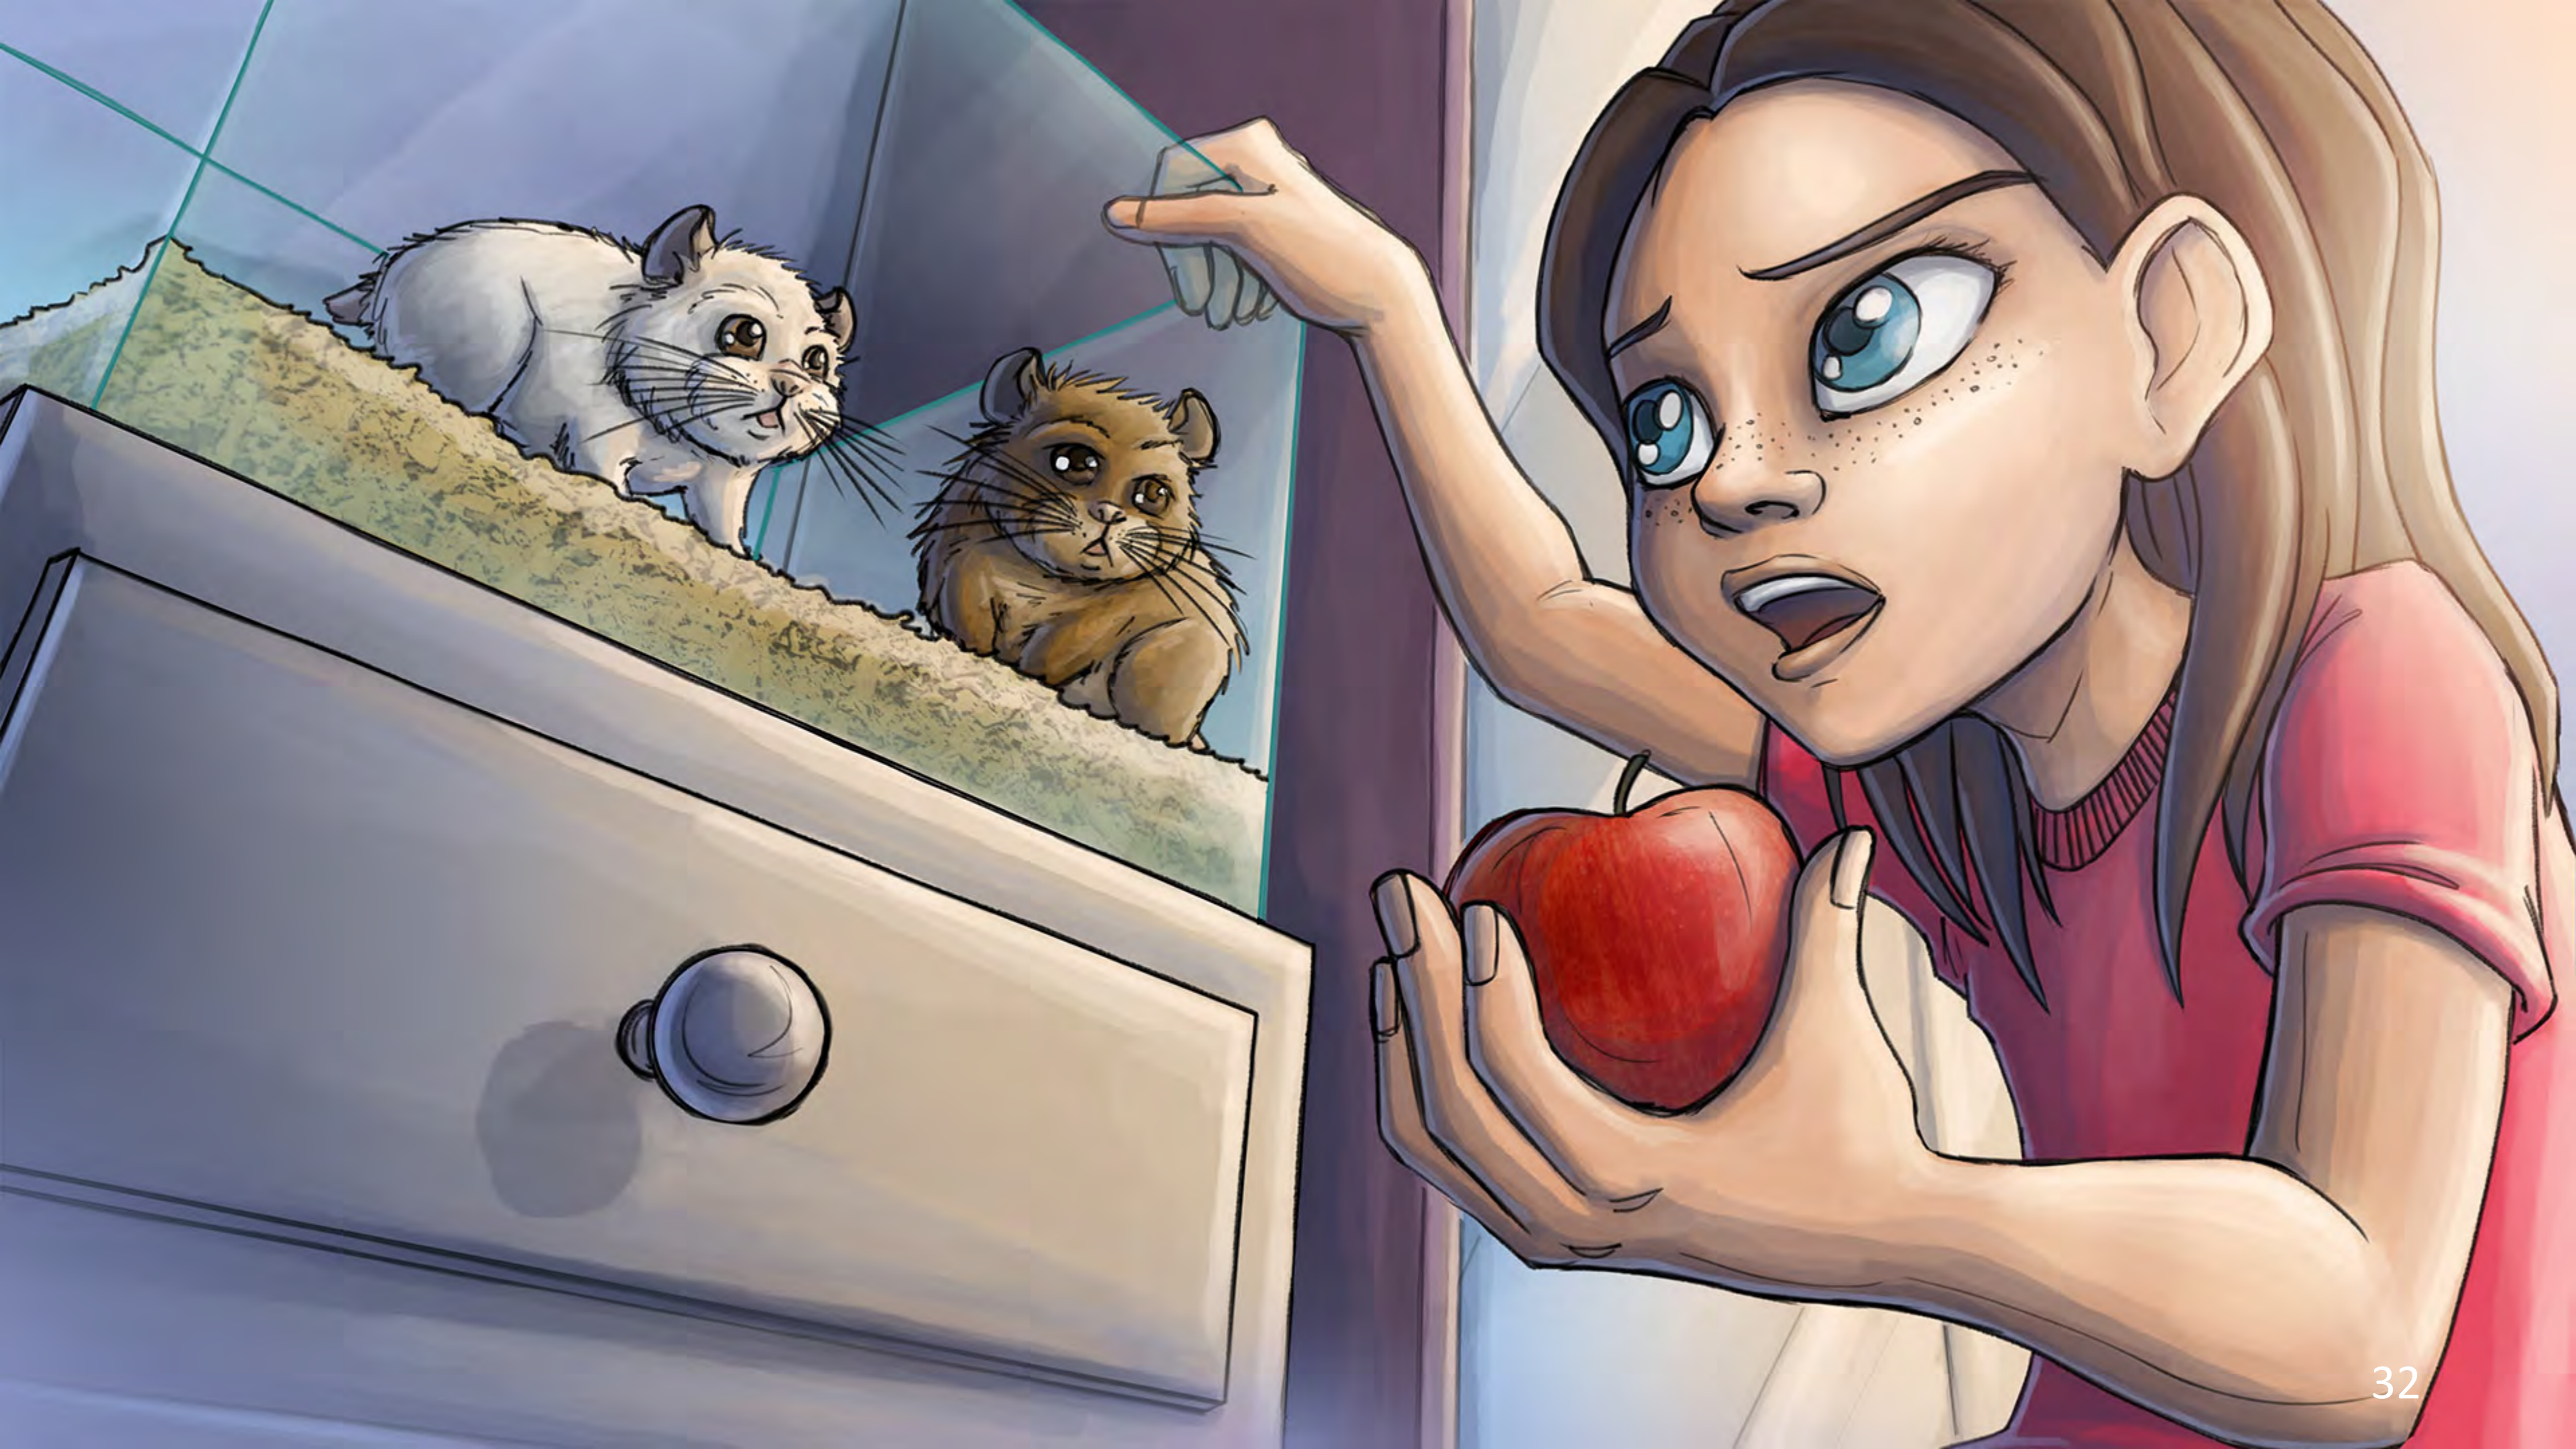

Som superhjälte kommer du att lära dig mängder av olika färdigheter. Du kommer att bli både starkare och smartare än du vågat drömma om.

Men det kommer att ta tid. Och du kommer att tvivla. Särskilt i början. Du kommer att undra om de superkrafter du valt är de rätta. Det är de. Du har valt dem av en anledning. Och även om du inte vet varför just nu, så finns det en mening med alla dina val.

Träna hårt varje dag och ge inte upp. En superhjälte ger aldrig upp.
